DEC+TRON

FACTS YOU NEED TO KNOW ABOUT

DECOTRON

Several National Sign Companies turn to owner Shane Kiel to design, manufacture, illuminate & value engineer signage and structures that meet **QUALITY** standards & profile dimensions they are not capable of providing.

DECOTRON has made **RECORD BREAKING** signs and structures and has won national awards for signs and structures including “best illuminated sign, best interior scapes, best new sign technology, best additive manufacturing, best pop-up fabrication & best pop-up display.”

Can incorporate **ADDITIVE MANUFACTURING** (3D printing) & EVERY ILLUMINATION type in existence as well as exclusive lighting only available at DECOTRON that's 5,000x more energy efficient than LED.

Owner Shane Kiel has the best solutions to your cool project and can engineer outstanding results at mostly **ANY BUDGET** level.

DECOTRON offers a 5% future work credit **REFERRAL PROGRAM**.

EXPERT CRAFTSMAN with metal, wood, plastic, foam, paint, epoxy, veneers & lighting.

Superior Commercial, Architectural, Residential & Accent **LIGHTING INTEGRATION**.
